IMPORTANT ACCOUNT INFORMATION

Effective June 1, 2020, the Deposit Account Agreement has been updated.

In the section of the Deposit Account Agreement titled "Available balance, posting order, and overdrafts," the second bullet of the paragraph titled "Then, we sort your transactions into categories before we process them" under the subsection titled "How do we process (post) transactions to your account?" is deleted and replaced with the following: "Then, we process withdrawals/payments we have previously authorized and cannot return unpaid, such as debit card purchases, ATM withdrawals, account transfers, Online Bill Pay transactions, and teller-cashed checks. If we receive more than one of these transactions for payment from your account, we will generally sort and pay them based on the date and time you conducted the transactions. For a debit card transaction, if a merchant does not seek authorization from the Bank at the time of the transaction or you conducted the transaction more than 10 business days before we receive it for payment, we will use the date the transaction is received for payment from your account. For some

transactions, such as Online Bill Pay transactions or teller-cashed checks, the time may be assigned by our systems and may vary from the time it was conducted. Multiple transactions that have the same time will be sorted and paid from lowest to highest dollar amount."

For questions, please call the number listed on your statement.

IMPORTANT ACCOUNT INFORMATION

Regulation D and Wells Fargo withdrawal and transfer restrictions on all savings accounts have been discontinued.

The Federal Reserve Board recently removed Regulation D's six transaction limit on certain withdrawals and transfers from savings accounts, and allowed banks to suspend enforcement of that limit at each bank's discretion. Your Deposit Account Agreement states that both Regulation D and Wells Fargo limit certain types of withdrawals and transfers from a savings account to a combined total of six per monthly fee period. This message is to advise you that these limits were removed in May 2020. We have also discontinued charging the related excess activity fees, and have ceased account conversions and account closures related to the six withdrawal or transfer limit.

While it will take a period of time to update our disclosures and other materials, the changes described above apply to your account immediately and allow you to make withdrawals and transfers, including online and mobile, from your savings account without regard to the previous limit of six transactions. If you have any questions about your account, please call the phone number at the top of your statement or visit your Wells Fargo branch.
