IMPORTANT ACCOUNT INFORMATION:

Your options to avoid the Everyday Checking account monthly service fee are changing.

Effective with the fee period beginning after October 8, 2020, the option to avoid the \$10 monthly service fee with 10 or more posted debit card transactions will no longer be available, and the minimum daily balance option will be lowered to \$500. Once these changes are effective, the monthly service fee can be avoided with ONE of the following options each fee period:

- Maintain a \$500 minimum daily balance
- \$500 or more in total qualifying direct deposits*
- Linked to a Wells Fargo Campus ATM or Campus Debit Card**
- Primary account owner is 17 through 24 years old***

If you do not meet one of the options above each fee period, the monthly service fee will be charged for fee periods ending on or after November 9, 2020.

Fee Period:

The fee period is the period used to calculate the monthly service fee. Your statement includes a monthly service fee summary with the dates of your fee period. The monthly service fee summary is also available through Wells Fargo Online[®] or Wells Fargo Mobile[®].

What remains the same:

- You can continue to use your debit card.
- The Consumer Account Fee and Information Schedule and the Deposit Account Agreement, as amended, continue to apply.

If you have questions about these changes, please contact your local banker or call the number listed on this statement.

Thank you for banking with Wells Fargo. We appreciate your business.

*A qualifying direct deposit is a direct deposit of your salary, pension, Social Security, or other regular monthly income electronically deposited through the Automated Clearing House (ACH) network to this checking account by your employer or an outside agency. Transfers from one account to another, mobile deposits, or deposits made at a banking location or ATM do not qualify as a direct deposit. If at any time the direct deposit discontinues, we will look back 65 days to see if you met the direct deposit requirements before a monthly service fee is charged.

**Wells Fargo Campus ATM and Campus Debit Cards are available for students, faculty and staff of colleges and universities that participate in the Wells Fargo Campus Card (SM) program. Ask a banker for additional details about participating colleges and universities. Your checking account will receive a monthly service fee waiver within 45 days of linking your Campus Card to that account.

***Primary account owner is an individual that has tax responsibility for the account. On the primary account owner's 25th birthday, the account will automatically be subject to the then current monthly service fee unless you meet one of the other options to avoid the monthly service fee.

IMPORTANT ACCOUNT INFORMATION

IMPORTANT ACCOUNT INFORMATION

Regulation D and Wells Fargo withdrawal and transfer restrictions on all savings accounts have been discontinued.

The Federal Reserve Board recently removed Regulation D's six transaction limit on certain withdrawals and transfers from savings accounts, and allowed banks to suspend enforcement of that limit at each bank's discretion. Your Deposit Account Agreement states that both Regulation D and Wells Fargo limit certain types of withdrawals and transfers from a savings account to a combined total of six per monthly fee period. This message is to advise you that these limits were removed in May 2020. We have also discontinued charging the related excess activity fees, and have ceased account conversions and account closures related to the six withdrawal or transfer limit.

While it will take a period of time to update our disclosures and other materials, the changes described above apply to your account immediately and allow you to make withdrawals and transfers, including online and mobile, from your savings account without regard to the previous limit of six transactions. If you have any questions about your account, please call the phone number at the top of your statement or visit your Wells Fargo branch.
