Good news — We’re including more deposit options to help meet monthly service fee waiver requirements for Chase Total[®] Checking, Chase College CheckingSM, and Chase CheckingSM accounts

Beginning September 13, we’ll automatically include additional electronic deposit payments to waive the monthly service fee. This includes payroll deposits that many independent or freelance employees (ride-sharing services, restaurant delivery services, etc.) receive through the Real Time Payment network or third-party services that facilitate payments to your debit card using the Visa[®] or Mastercard[®] network. If you have questions, please call the number at the top of your statement or review the Additional Banking Services and Fees disclosure at chase.com/disclosures for specific requirements for your account.

We’ll no longer offer the Visa Benefits Package on Chase debit cards

Effective December 1, 2020, we’ll no longer offer the Visa Benefits Package (such as Concierge Services and Purchase Security) on eligible Chase debit cards. This doesn’t affect any benefit packages on Chase credit cards. Benefits you may have with this package will remain in effect for eligible purchases made prior to December 1.

We want to remind you about the overdraft service options that are available for your personal checking account(s)

We’ve included information on the last page of this statement to remind you about our overdraft services and associated fees. As a reminder, overdraft services are not available for Chase Secure CheckingSM or Chase First CheckingSM. Our Standard Overdraft Practice and Chase Debit Card CoverageSM are not available for Chase High School CheckingSM.

We’re changing when we waive overdraft fees for Chase Private Client CheckingSM accounts. Please see the last page of this statement for more information.

If you have questions, please visit chase.com/overdraft or call us at the number on your statement. We accept operator relay calls.

Overdraft and Overdraft Fee Information for Your Chase Checking Account

What You Need to Know About Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer Overdraft Protection through a link to a Chase savings account, which may be less expensive than our standard overdraft practices. You can contact us to learn more.

This notice explains our standard overdraft practices.

- **What are the standard overdraft practices that come with my account?**

We **do** authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Recurring debit card transactions

We **do not** authorize and pay overdrafts for the following types of transactions, unless you ask us to (see below):

- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.

- **What fees will I be charged if Chase pays my overdraft?**

Under our standard overdraft practices:

- If we pay an item, we'll charge you a \$34 Insufficient Funds Fee per item. This fee is not charged if your account balance at the end of the business day is overdrawn by \$5 or less, or for items that are \$5 or less.
- We won't charge more than three Insufficient Funds Fees per day, for a total of \$102.

- **We waive fees for some account types:**

- For Chase SapphireSM Checking accounts, we waive the Insufficient Funds and Returned Item fees if items(s) are presented or withdrawal request(s) are made against an account with insufficient funds on four or fewer business days during the current and prior 12 statement periods.
- For Chase Private Client CheckingSM accounts, we waive the Chase overdraft fees.
 - o Effective November 8, we waive the Insufficient Funds and Returned Item fees if item(s) are presented or withdrawal request(s) are made against an account with insufficient funds on four or fewer business days during the current and prior 12 statement periods.

- **What if I want Chase to authorize and pay overdrafts on my everyday debit card transactions?**

If you or a joint account owner would like to change your selection, sign in to chase.com to update your account settings, or call us at 1-800-935-9935 (or collect at 1-713-262-1679 if outside the U.S.), or visit a Chase branch. We accept operator relay calls.
