We must hear from you no later than 60 days after the earlier of the date you electronically access your Account, if the error could be viewed in your electronic history, or the date we sent the FIRST written history on which the error appeared; but in any event you must report the error no more than 120 days after the transaction allegedly in error was credited or debited to your Account:

1. Tell us your name and Account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your Account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.
