### Mission Federal Credit Union Account Statement Disclosure

**Applies only to transactions for consumer accounts (accounts established for personal, family or household purposes).**

Any discrepancies on this statement must be reported to the credit union within 20 days of the statement mailing unless another time frame of error notification applies.

#### **In Case of Errors or Questions About Your Electronic Transfers**

In case of errors or questions about your electronic transfers, telephone us at 800.500.6328 or 858.673.9300 or write us at Mission Federal Credit Union, P.O. Box 919023, San Diego, CA 92191-9023 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the **FIRST** statement on which the error or problem appeared. Please provide the following information:

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.

#### **Special Rule for Credit Card Purchases**

If you have a problem with the quality of goods or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

#### **In Case of Errors or Questions About Your Loans**

If you think there is an error on your statement, write to us at: Mission Federal Credit Union, P.O. Box 919023, San Diego, CA 92191-9023. You may also contact us via secure email on Mission Fed Online Banking. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. You must contact us within 60 days after the error appeared on your statement.

In your written notification, give us the following information:

- (1) Your name and account number.
- (2) The dollar amount of the suspected error.
- (3) If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that there was a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
