¹Interest accrues daily at the funds rate as described in your SoFi Securities LLC Brokerage Customer Agreement (the "Customer Agreement") and is paid on the last day of the Statement Period.

²Interest accrues at the same rate on all funds in your SoFi Money Account, including funds allocated to a SoFi Money Vault. References to "interest" in connection with any SoFi Money Vault reflect the portion of the interest earned on your SoFi Money Account in the preceding month which is allocated to the applicable SoFi Money Vault. The amount of interest allocated to each SoFi Money Vault is equal to the proportion the balance in each SoFi Money Vault bears to your total SoFi Money Account balance.

Questions About Your Statement or Electronic Transfer Errors

You are in the best position to discover errors and unauthorized transactions on your account statement. It is your duty to review your account statements promptly and carefully and immediately notify us of any errors.

Or email us at sofimonysupport@sofi.com

If you fail to notify us in writing of suspected errors or an unauthorized transaction within the time period specified in your Customer Agreement (in which periods are no more than 60 days after we make the FIRST statement available to you on which the error or problem appeared and in some cases are 30 days or less), we are not liable to you for any damages resulting from an error you fail to timely report and you agree to not make a claim against us for such damages.

If you write us, please include the following information:

- (1) Your full name and account number (if any).
- (2) A clear description of the error or suspected unauthorized transaction or explanation of why you need more information.
- (3) The dollar amount of any suspected error.

We will investigate your complaint and correct any confirmed error promptly. In the event our investigation concludes that your account was correctly debited or charged for the amount in dispute, we will deduct the provisional credit from your account.

Free Credit Balances.

Any cash balance in your securities account is payable to you upon demand ("Free Credit Balances"). These amounts transferred into an interest bearing account at an FDIC insured bank as more fully described below under Sweep Program. If you elect not to have the Free Credit Balances paid to you and choose not to participate in the Sweep Program, the Free Credit Balances will be retained in your account, and will be subject to use by SoFi Securities in the conduct of its business, subject to the limitations of Rule 15c3-3 under the Securities Exchange Act of 1934, as amended.

SIPC Coverage.

SoFi Securities is a member of the Securities Investor Protection Corporation ("SIPC"). SIPC protects (i) the securities in your account up to a maximum of \$500,000, and (ii) cash in your account up to a maximum of \$250,000. Cash deposits that are not intended to be used to purchase securities, or that do not originate from the sale of securities, are ineligible for SIPC coverage. Therefore, Free Credit Balances in your Account will not be eligible for SIPC coverage. Visit www.sipc.org or call (202) 371-8300 for more information including a brochure on SIPC protection.

Sweep Program.

If you elected to participate in the "Sweep Program", Free Credit Balances in your securities account will be automatically transferred to omnibus accounts in the name of SoFi Securities for the benefit of SoFi Money customers, in a network of six (6) FDIC insured banks (the "Program Banks"). Free Credit Balances in the Sweep Program will accrue interest daily and such interest will be credited by SoFi Securities to your Account on the last Business Day of each month. Each Program Bank will provide FDIC insurance up to \$250K, for an aggregate insured amount of up to \$1.5M. After your funds clear, it can take up to 48 hours for Free Credit Balances to reach the Program Banks. During this period, your Free Credit Balances will be insured by a combination of FDIC coverage and a private bond secured by SoFi Securities for the benefit of SoFi Money customers. Free Credit Balances will not be insured by SIPC coverage at any time. More information about the terms of the Sweep Program, including interest rates, terms of the private bond and Program Bank information can be found at www.sofi.com/my/money/sweep
