Welcome to Chase Secure BankingSM!

With your new checking account you're now able to:

- Use your debit card for ride-sharing services, car rentals and more
- Request money orders or cashier's checks without paying a fee
- Pay bills using your account and routing numbers
- Add other account owners

Also, just as with your previous account, you won't be charged Overdraft Fees¹.

You should have received your new Chase debit card in the mail. If you haven't activated it yet, please do so now. As a reminder, your card number and PIN will remain the same, but the expiration date and CVV code have changed, so you'll need to update merchants that have your card information.

For a complete list of your new account terms and to get to know your new account better, go to chase.com/SecureBanking.

Please call the number on this statement if you have any questions.

¹We will decline or return transactions when you do not have enough money in your account to cover the charge. However, you could still end up with a negative balance if, for example, a transaction is approved for one amount, but then the actual charge is more than what you have in your account (like when you add a tip at a restaurant after the transaction for the meal was already approved). Even if you have a negative balance, we will not charge you an overdraft fee.

¡Bienvenido a Chase Secure BankingSM!

Con su nueva cuenta de cheques, usted ahora puede:

- Usar su tarjeta de débito para servicios de traslados compartidos, alquiler de vehículos y más
- Solicitar giros postales o cheques de caja sin pagar un cargo
- Pagar facturas usando sus números de cuenta y de ruta
- Agregar otros titulares de cuenta

También, al igual que con su cuenta anterior, no se le cobrarán cargos por sobregiros¹.

Debería haber recibido su nueva tarjeta de débito de Chase por correo postal. Si no la ha activado todavía, por favor, hágalo ahora. Como recordatorio, su número de tarjeta y PIN seguirán siendo los mismos, pero la fecha de vencimiento y el código CVV han cambiado, así que deberá informar a los comercios que tengan su información de tarjeta.

Para obtener una lista completa de los términos de su cuenta nueva y para conocerla mejor, visite chase.com/SecureBanking.

Por favor, llame al número en este estado de cuenta si tiene alguna pregunta.

¹ Rechazaremos o devolveremos transacciones cuando no tenga suficiente dinero en su cuenta para cubrir el cargo. Sin embargo, aún podría terminar con un saldo negativo si, por ejemplo, una transacción se aprueba por una cantidad, pero después el cargo final es más de lo que tiene en su cuenta (como cuando agrega una propina en un restaurante después de que la transacción por la comida ya se aprobó). Incluso si tiene un saldo negativo, no le cobraremos un cargo por sobregiro.
