Overdraft Protection

Calculation of Interest Charge and Balance Subject to Interest Rate. The interest charge is computed using your annual percentage rate divided by 365 or, in the case of a leap year, 366, which gives you the "Applicable Rate." Although we calculate the interest charge by applying the Applicable Rate to each daily balance, the interest charge can also be calculated by multiplying the Applicable Rate by the "average daily balance" (Balance Subject to Interest Rate) shown on this statement, then multiplying that sum by the number of days in the billing cycle. To get the "Balance Subject to Interest Rate" shown on this statement we take the beginning balance of your account less any unpaid finance charges each day, add any new advances or debits, and subtract any payments or credits. This gives us the daily balance. Then we add all the daily balances for the billing cycle and divide by the number of days in the billing cycle. This gives us the "average daily balance" shown on the statement as "Balance Subject to Interest Rate".
Payments. Payments to your overdraft protection loan account made through our tellers or deposited at our automated teller machines (ATMs) Monday through Friday before the posted cut-off time will be posted to your account on the date they are accepted. Otherwise, they will be posted on the next business day. Payments made through our ATMs via a funds transfer will be posted on the date they are received or on the next business day if made after 6pm CT (6pm MT for Arizona accounts and 6pm PT for California accounts) Monday through Friday or anytime Saturday, Sunday or bank holidays. BBVA business days are Monday through Friday, excluding holidays.

In Case of Errors or Questions About Your Statement (Overdraft Protection Only)

If you think your statement is wrong, or if you need more information about a transaction on your statement, write your issue on a separate document and send it to Bankcard Center, P.O. Box 2210, Decatur, AL 35699-0001. Telephone inquiries may be made by calling your local BBVA branch listed on the front of this statement to speak with a Customer Service Representative. Please note: a telephone inquiry will not preserve your rights under federal law. We must hear from you no later than sixty (60) days after we sent you the first statement on which the error or problem appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or what you need more information.
- Tell us the dollar amount of the suspected error.

You can stop the automatic deduction of the Minimum Payment from your checking account if you think your statement is wrong. To stop the payment, your letter must reach us three (3) business days before the automatic deduction is scheduled to occur.

Reporting Other Problems
