## IMPORTANT ACCOUNT INFORMATION

**Please note: Your account has an ending balance of zero as of the date of this statement. Accounts that have a zero balance may be subject to automatic closure on the fee period ending date, depending on when the last qualifying transaction posted to your account.**

- If the ending balance in the "Activity summary" section above shows the words, "Closing balance on <date>," your account is already closed.
- If your account is still open, you can prevent automatic closure by having a qualifying, non-automatic transaction posted within the last two months of the most recent monthly fee period ending date.
- Examples of qualifying transactions are deposits or withdrawals made at a banking location, ATM, or via telephone, mobile deposits, one-time transfers made at a banking location, ATM, online, mobile, or via telephone, or checks paid from the account.
- Automatic or electronic deposits, such as payroll, and automatic or electronic payments, including bill pay, recurring transfers, and any bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions for the purpose of preventing closure of an account with a zero-balance.

Questions? Please contact your banker or call the phone number appearing on your statement.

We appreciate your business. Thank you for choosing Wells Fargo.
