It's important to note that merchant names or locations for your transactions may not look familiar. Many merchants use their corporate or headquarters information instead of the particular store where you made the purchase. There may also be a delay in the posted date of the transaction. These are normal business practices. If the amount and date of the purchase are accurate, you may use that as your validation of the charge.

In Case of Errors or Questions About Your Account: Use our dispute form [here](#), or write us at Walmart MoneyCard Customer Care, P.O. Box 5100, Pasadena, CA 91117 or telephone us at (877) 937-4098 as soon as you can if you think an error has occurred in your account. We must hear from you no later than 60 days after the earlier of the date you electronically access your account, if the error could be viewed in your electronic history, or the date we sent the FIRST written history on which the error appeared.

- (1) Tell us your name and card number.
- (2) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.
