## BALANCING YOUR MONTHLY CHECKING ACCOUNT STATEMENT

Compare your monthly statement with your account register (checkbook). From your account register "Balance Forward":

1. Subtract any Credit Union charges listed on your monthly statement that have not been previously deducted.
2. Add any dividends paid that have not been previously added.
3. Add any deposits that have not been previously added. Include regular deposits and payroll transfers such as Direct Deposit or Payroll Deduction.

Within your account register:

4. Determine any deposits entered that do not appear on your statement. List these deposits in the "Deposits Not Credited" section.
5. Check off each check in the account register that has been paid on this statement. Check numbers make this an easy step. List all checks that have not been paid in the "Outstanding Checks" section.
6. List all electronic transactions that have not been cleared in the "Outstanding Transactions" section.
7. Complete the "Statement Reconciliation" section.

If your account register and statement balances do not agree:

- Review last month's reconciliation. Correct any errors.
- Check your account register additions and subtractions.
- Compare the account of each check and deposit listed in the account register with the statement.
- Make sure all unpaid checks have been listed under "Outstanding Checks".
- Make sure that each paid check listed on the statement has been recorded in the account register.
- Make sure that any telephone, ATM/Check Card and all other electronic withdrawals not charged are listed.

Each member account  
is insured for an  
additional \$250,000.00

This statement of account contains income tax reporting data, year to date interest and/or dividends. The dividend amount will be reported to federal and state governments per requirements. Retain your statement of account for purposes of income tax reporting.

#### **HOW TO COMPUTE THE FINANCE CHARGE ON YOUR OPEN-END LOANS**

The unpaid principal balance for each day is multiplied by the daily periodic rate to determine the FINANCE CHARGE for that day. The sum of these daily charges is the FINANCE CHARGE you will pay. The unpaid principal balance is that balance which is in your account at the close of business after all transactions, including payments and new borrowings, have been entered. FINANCE CHARGES will be imposed from the date of disbursement. There is no free period.

#### **BILLING RIGHTS SUMMARY FOR OPEN-END LOAN ACCOUNTS ONLY**

##### **IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT**

If you think your statement is wrong, or if you need more information about a transaction on your statement, write us (on a separate sheet) at the address shown on your statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the portions of your statement that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

#### ***CREDIT INSURANCE NOTICE — OPEN-END LOANS ONLY***

Credit Life and Credit Disability Insurance Certificate holders, under Open-End Credit Accounts reported on this statement, are required by California law to be advised of the following: THIS INSURANCE MAY NOT COVER AN ADVANCE OR CHANGE UNDER YOUR CREDIT LINE IF YOUR DISABILITY OR DEATH RESULTS FROM A CONDITION FOR WHICH YOU HAVE SEEN A DOCTOR OR CHIROPRACTOR IN THE SIX MONTHS BEFORE THE ADVANCE OR CHARGE.

#### **IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC FUND TRANSFERS**

TELEPHONE US, OR WRITE US AT THE CREDIT UNION PHONE NUMBER & P.O. BOX SHOWN ON THE FRONT SIDE OF YOUR STATEMENT, as soon as you can, if think your statement or automated teller machine transaction receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after you receive the first statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than ten (10) business days to do this (or within twenty (20) business days, in the case of a claim made within 30 calendar days after an account is opened), we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.
